## Level 1

Injection with " OR '1'='1

This payload targets a query that checks credentials in a login form or fetches data based on user input.

### Shuruwat garam

> Solve gara laa toofan sajilo cha

example.com

Searching for " OR '1' = '1':

CREDENTIAL	DOMAIN
Mero Mukh Nahera	aryapokharel.com
Baru	secure-site.com
Arko level Jau	levelDll.php

## Level 2

admin' or '1'='1

The condition username = 'admin' OR '1'='1' becomes **true**, meaning the query returns the admin user's record.
